Docket No. ACR2019

NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING  
OF USPS-FY19-NP36 AND APPLICATION FOR NONPUBLIC TREATMENT  
(January 31, 2020)

The Postal Service hereby gives notice of filing of the material indicated below as part of the **Non-Public Annex** in this proceeding:

USPS-FY19-NP36 Nonpublic Material Relating to Response to ChIR No. 4,  
Question 6

These materials illustrate the potential impact on certain files (previously submitted in either USPS-FY19-NP2 or USPS-FY19-NP32) of alternative FY 2019 TRACS distribution factors that do not reflect the effects of the anomalous TRACS-Highway test identified in the response to ChIR No. 4, Question 6 (filed January 24, 2020). Like the previous versions of these files previously submitted in USPS-FY19-NP2 (as revised on January 10, 2020) and USPS-FY19-NP32, the material therefore consist of types of information customarily submitted under seal in folder NP2. Accordingly, they are submitted as part of the nonpublic annex in this proceeding. Attached to the Postal Service's ACR, filed December 27, 2019, was the Application for non-public treatment of the non-public annex, which is hereby incorporated by reference, including the third-party associations for USPS-FY19-NP2. Likewise incorporated by reference is the Application for Nonpublic Treatment attached to the Postal Service's Notice regarding

USPS-FY19-NP32, filed on January 13, 2020.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
